Hey Alex,

Thanks for letting me know about this event. I will be back in the office on June 4th. Do you have time to schedule a phone call sometime that week to quickly touch base on this event and MS4?

I hope you and your family have a fantastic Memorial Day weekend!

Mac

Wanted to let you know will be hosting a regional event on PFAS working with New Hampshire DES but the event is for all New England states to talk about this issue. It's a follow up to the work of administrator Pruitt this week on the same subject. I understand you're out but I wanted to make sure I give you a heads up and also find out what role you may want to play in this event if any. Best - Alex
